

Dear All, Sat Nam,

Thank you very much for being inspired by Chateau Anand.  
We hope the attached portfolio will inspire and strengthen your positive projection for this project.

Since you have indicated that you would be interested to lend money to the Yoga Festival Organization, we are sending you a draft contract so that you can review the conditions and terms.

We would like to encourage you to make this commitment soon as we are working along a 9 month timeline in order complete the project before the festival 2012. The first investment will go towards the building of the micro-station for the sewage system this September.

Therefore:

- For those who have the money available now, please:

1 - Sign the contract attached, scan it and email it to our Treasurer,

Sat Dharm Singh at: [european3ho@gmail.com](mailto:european3ho@gmail.com)

2 - As soon as you have received our countersignatures on the contract, please arrange the money transfer to our ING Bank account in Frankfurt.

- For those of you who would like to participate later, we will organize monthly updates on the project. However, it would help us if you could confirm the following as soon as you are able:

1 - The amount you would like to invest ?

2 - At which date ?

Of course, we are available to answer all the legal, financial of general questions you may have.  
Blessings to All of you,
