

Kundalini Yoga Festival 2012 – Chateau Anand

Security Department

Preliminary Note

This year's YF will take place at the new location Chateau Anand. The new location requires a reworked and adjusted security concept. This concept will be integrative part of the overall festival concept which is in progress. It will take some more weeks before we can give detailed information on shift plans, number of people needed for various responsibilities, pre arrival, closing days etc..

We expect having finished the concept including responsibilities, shift plans, number of people needed etc. by April 16th, 2012.

You can register for security from now on and you will receive the staff registration form and specific information request in the meantime. After April 16th, 2012 we will be happy to give you an answer.

Thank you very much for your understanding.
